Ah ... !

What happened just now ...

Did she just hit N ?

If N's fanclub finds out, she will be in troubles.

They will beat the crap out of her !

Hmm....

I was just going to play a little...

This girl ...
The hell ...

That... HURT !!!

What the hell ...

Ah..., I was just ...

I was just walking to my classroom.

You ... made it sound weird, so ...

Anyway, I am sorry for hitting you like that.

Oh well, I see.

Phew, good... Just go away silently like that.

I won't run into someone like you in the future anyway.
Yes, someone like me...

Or so I thought.

Oh, right, anyway, I am sorry. You see, I am a little sensitive.
Too many female stalkers like yourself nowadays.

W... what ?!

Stalkers ?!

Stalkers ???

And what's the point of telling me that you are sensitive or whatnot...
I didn't ask and
I don't wanna know !

You think you are a king just because you are a celebrity ?!

Do you think every girl behind you is stalking you ?!

He pisses me off !

They say friends are alike...

He is ... like that as well ?

What ... the hell is she trying to ...

He's ... fast !

Is it because he has been physically trained to dance ?

Or is it just a matter of longer legs ?

A, anyway, at this rate ...

You like me that much? Why do you keep following me?

Will you quit stalking me, stalker.

Ah, I don't want that to happen !!!

Either way,
I am not going to be walking behind N ...
this wrackjob !!!

HMPH - !

The hell ...

How can a girl like That walk so damn fast ?

Take that, hoh

I walked on country roads in my youth.

Huh?
What is ...

this sound ...

It's approaching fast ...

Is ...

Is it ...

That ... psycho !

He is actually running !

And seems to be enjoying ...

Where is your cool attitude I saw from TV ?

He's the worst !

What a lunatic !
I don't want to see him ever again !

I am not even going to bother with such people like him ...

Ah, really,
that lunatic,
prince syndrome ridden,
bastard ...

We are in the same class ...

I don't wanna go into my class... really...
